A well-known established business primarily situated in Temora NSW, that has been operating for over 50 years becoming one of the leading farm machinery dealerships servicing NSW

## OUR STORY

Intersales was originally established in the 1950's trading as LA Sales selling and servicing International Harvester. The current trading name of Intersales was adopted in 1970

1976 saw employees David Carruthers and Brian Matthews take ownership. Tragedy struck in 1980 when Brian was killed in a plane crash, leaving his wife Helen to take title with David. This also offered the opportunity for Peter Heinrich to take ownership. The three business partners formed a formidable team over many years.

In 2001 Intersales expanded with the purchase of the CASE IH dealership in Leeton, NSW. David sadly passed away in 2004. This then followed by the retirement of Helen in 2012, left Peter the sole owner of the business.

Fast forward many positive years to 2017, Peter was approached by five senior staff who made an offer he was only too happy to accept. Trevor Morton, Greg Woolner, Carina FitzPatrick, Adam Blachut and Mitchell Price along with Peter are all partners within the successful Intersales Company.

2018 Intersales extended its fabrication, manufacturing and machining arm of the business with the purchase of Cleverdon's Steel Constructions on Goldfields Way, Temora. Intersales Comb trailers, which have been manufactured since 1996, moved to the new location, and silos have been added to their extensive range of products.

2019 has seen Intersales expand to 3 more Case IH Dealerships across NSW, with this acquisition the Intersales footprint has more than doubled in size. This great opportunity has allowed the organisation to enhance its product, parts and service offering for the benefit of customers now and into the future.

Our past success can be measured by winning Dealer of the Year in 2016. Finalist in 2015, Dealer of the year in 2010, 2004, 2002 and 1997. Dealer of the year for the Header department was also won in 2003. Leader in CNH Capital finance in 2009. Along with local achievements through the TBEG, taking out Excellence in Business 2017 (over 20 employee's category)

## SALES – OVER 40 YEARS SALES EXPERIENCE

You will find a vast range of new and used farm machinery products and equipment.

With Case IH equipment being the essence of our business. We offer an extensive range of products and brands to cater for the big, the small or simply just the weekend farmer.

If you are more of the recreational type, we cater for you too with our range of Polaris ATV's that the whole family can enjoy.

# INTERSALES

## SERVICE – INTERSALES PRIDES ITSELF ON CUSTOMER SERVICE & SATISFACTION

Over 60 Service Staff make up our Intersales Service Department. We believe having the right people with the right training caring for your machines is what makes our customer service and satisfaction stand out.

Our Technicians are constantly training in the latest methods and Technology of the ever-evolving Agricultural industry. Specialised Case IH training ensures you, the customer, are being provided with leading edge first class service.

Across the group we have a large fleet of dedicated service vehicles. including light rigid trucks and a prime mover, with a specialised step deck spread deck trailer for transporting heavy duty machinery up to 23 tonne.

## PARTS – EXTENSIVE RANGE OF PARTS

To complement our Sales and Service, Intersales have a knowledgeable Parts Team across all locations.

Stocking an extensive range of parts to cater to your every need, and offering an after hour's service, our team want to ensure your downtime is kept to a minimum.

Our showrooms also showcase a diverse range of products from the latest Case IH replica toys, to a selection of branded tools for the trade.

# CLEVERDON'S

## STEEL CONSTRUCTIONS

### CLEVERDON'S STEEL CONSTRUCTIONS STORY:

CSC was originally established by John Cleverdon in 1948. Sheds were manufactured using screwed and socketed pipe.

After a few name changes and family members joining the business, 1961 saw Cleverdon's Steel Constructions implement their new name and purchase the current site location on Goldfields Way, Temora.

CSC specialised in a variety of Sheds, Feeders, Chaser Bins and commercial projects, along with local manufacturing steel work projects within Temora.

Cleverdon's Steel Constructions provided a valuable service to Temora and district for 70 years prior to their sale to Intersales in 2018.

With a reputable business already established Intersales have continued to maintain and grow the CSC engineering footprint in Temora NSW.

**CLEVERDON'S STEEL CONSTRUCTIONS** make quality comb trailers to suit any model header or windrower front. A simple and efficient design we are fast becoming a leader in comb trailer design and manufacturing.

**SILOS** have been manufactured within Cleverdon's Steel Constructions for over 60 years. With a fully welded design you can be sure you are getting a quality product

### CRANE HIRE

Fully certified  
20T Franna  
crane available  
for hire.

Complete with  
highly trained  
driver &  
dogman
